**MATH ENDORSEMENT PROGRAM**

**Purpose:** To enable elementary and middle school teachers with limited math backgrounds to obtain a middle school math and/or Algebra I certification/endorsement.

**Location:** Emory & Henry College or the Smyth County Vocational Center in Marion

**Time:** Late afternoon or early evening  
Beginning the second week in September, 2004

**Tuition:** Paid by the Consortium

**Stipend:** \$1,200.00 paid upon completion

**Courses:**

Course Title	Credit Hours
Elementary Functions and Introduction to College Algebra and Trigonometry	3
Discrete Mathematics with a Computer Science Component	3
Introduction to Topics in Calculus	3
Linear Algebra and Statistics	3
Geometry	3
Total Credit Hours	15

Teachers who complete these courses and already have six (6) to nine (9) semester hours of college math should be qualified for an endorsement to teach middle school math and/or math through Algebra I. Individual students participating in the program are responsible for making sure this program will meet endorsement requirements.
